

Dear Birches Unit Owner,

On behalf of The Birches Condominium Association, we welcome you to our community!

The Board of Directors retains Resolution Property Management to assist with the operation of the property. Resolution Property Management provides an online portal at <https://resolutionnh.appfolio.com/connect> where you may securely review your account, submit inquiries or maintenance requests, and make one-time or recurring payments.

To have access to your owner portal account in AppFolio, please contact Resolution Property Management by phone at (603) 471-3319.

The monthly association fee of \$380 is due on or before the first of each month. A late fee of \$30 is applied if payment has not been received by the 15th. The Birches does not send monthly statements to accounts that are in good standing.

You can use **eCheck** payments using the Online Portal. You can opt to make a one-time payment manually each month or set up automatic payments **using your checking or savings with no transaction fee**. If you use a credit card or debit card, please be aware there is a transaction fee.

If you prefer to pay by mail or with online banking, make your check payable to **The Birches** and send it to:

- Park your vehicle in your garage
- Park any vehicle that cannot be garaged about two feet from the front of your garage door—this is to allow room for the shovelers to pass. DO NOT PARK at the street end of your driveway.
- No owner or resident shall instruct the snow removal crews regarding snow removal. The snow removal company has been advised to take direction only from a member of the Board of Directors or Resolution Property Management. If you are experiencing problems with the snow removal job, please contact Resolution Property Management
